

"The camp allows us the chance to give young people an opportunity to gain the skills, knowledge, and understanding to become successful ballplayers and individuals at the next level in their lives."

The Victory Baseball Camp offers a unique experience. Each day begins with the players attending a skill/class development session under the evergreens with a clear view of the snow covered peaks of Mt. Evans, Colorado. Here are just a few of the highlights of our camp.

- ★ Competitive Games
- ★ 7 Days of Skill Development
- ★ Sightseeing Tours
- ★ And so much more!

This truly is a "working camp." For nine days the players eat sleep and live baseball. The afternoons are filled with games that are designed around the working camp philosophy. These games put an emphasis on skill development. All players receive equal playing time. Games are scheduled with clubs up and down the Front Range from Cheyenne, Wyoming to Colorado Springs and deep into the heart of the Rockies in beautiful Glenwood Springs.

Although baseball is the focal point of this camp there is a variety of other activities for campers to enjoy. Players also have a day off where they can choose from a variety of activities.
